Directors

President

James R Walker, DNP, CRNA, FNAP, FAAN
(Educator)

Baylor College of Medicine
Houston, TX

Vice President

Laura S. Bonanno, DNP, PhD, CRNA
(Educator)

LSUHSC School of Nursing
New Orleans, LA

Treasurer

Maria Hirsch, DNAP, CRNA
(Practitioner)

Carilion Clinic
Roanoke, VA

Brian Andrew, JD, MA
(Public Member)

Claire Dixon-Lee, PhD, RHIA, CPH, FAHIMA
(Public Member)

Audrey Berman, PhD, RN
(University Representative)

Samuel Merritt University
Oakland, CA

Carly Koerner, BSN, RN, CCRN
(Student)

Susan McDonald, DNP, MBA, RN
(Healthcare Administrator)

St. Elizabeth Health Center Youngstown
Hospital
Youngstown, OH

Michael D. Fallacaro, DNS, CRNA, FAAN
(Educator)

Virginia Commonwealth University School
of Allied Health Professions
Richmond, VA

Shari M Burns, EdD, CRNA
(Educator)

Midwestern University
Downers Grove, IL

Julie Pearson, PhD, CRNA
(Practitioner)

Carolina East Health
System New Bern, NC

Juan E. Gonzalez, PhD, CRNA
(Educator)

University of Miami School of Nursing and
Health Studies Nurse Anesthesia
Program
Coral Gables, FL

Paul N. Austin, PhD, CRNA
(Educator)

Texas Wesleyan University Graduate
Programs of Nurse Anesthesia
Fort Worth, TX

List of Accredited Fellowships by Council on Accreditation of Nurse Anesthesia Educational Programs

The accreditation program for nurse anesthesia was initiated in 1952 by the American Association of Nurse Anesthetists (AANA). The accreditation function was transferred to the Council on Accreditation of Nurse Anesthesia Educational Programs/Schools in 1975 in response to a major revision of the U.S. Office of Education criteria. Since 1975, the Council has existed as a fiscally autonomous multidisciplinary body. This multidisciplinary structure gives recognition to the various publics that represent the community of interest within which the nurse anesthesia profession resides. The 12 members of the Council are representative of the following groups: nurse anesthesia educators and practitioners, nurse anesthesia students, health care administrators, university representatives, and the public. All are voting members except the student member.

The Council's scope of accreditation is for institutions and programs of nurse anesthesia at the post master's certificate, master's or doctoral degree levels and fellowships in the United States, its territories and protectorates, including programs offering distance education. Both the United States Department of Education and the Council for Higher Education Accreditation recognize the Council as an accrediting agency for nurse anesthesia.

The Council on Accreditation is responsible for establishing the standards and policies for nurse anesthesia educational programs and fellowships subject to consideration by its communities of interest. The standards address governance, resources, program of study, program effectiveness and accountability. The first set of standards was adopted in 1952 and have been under review and subject to periodic major and minor revisions since that time. Compliance with the standards forms the basis for accreditation decisions made by the Council.

The accreditation process for fellowships is based on the post-graduate fellowship assessment document prepared by the fellowship and a virtual onsite review by the Fellowship Review Committee. Accreditation may be offered for onetime fellowships, or continuous/intermittent fellowships. Continuous/intermittent fellowships may be accredited for intervals of up to 5 years. New fellowships that seek accreditation status must successfully complete an initial post-graduate CRNA fellowship assessment, become accredited, and admit fellows. Only fellows enrolled after accreditation is awarded will graduate from an accredited fellowship

The Council on Accreditation publishes this list of accredited nurse anesthesia fellowships on bi-annual basis as information for the public, other agencies and prospective students. A definition of each accreditation action follows:

Probation signifies serious deficiencies that jeopardize the quality of the educational process. Examples are the failure of a program/fellowship to respond by the specified date to a summary report which identifies serious deficiencies or failure to submit a self study or a progress report by the due date.

Revocation of accreditation signifies a program/fellowship does not present sufficient evidence of educational quality nor intent to comply with the standards and criteria.

California

Omni Anesthesia Fellowship Program for
Trauma and Critical Care Nurse Anesthesia
2823 Fresno Street Fresno, CA 93721
Bryan Tune, DNP, CRNA
Email: btune@nu.edu
DLR: 8/2016; NRD: 8/2021
