

**REPORT OF ACTIONS**  
**Effective January 27, 2022 unless otherwise indicated**

**Continued Accreditation – Approved**

- UPMC Hamot School of Anesthesia/Gannon University, Erie, PA

Public Disclosure Statement

The UPMC Hamot School of Anesthesia/Gannon University program was granted continued accreditation for 10 years effective January 27, 2022. The program was found in full compliance with the *2004 Standards for Accreditation of Nurse Anesthesia Educational Programs*. Given this action, the program will be scheduled for its next consideration of continued accreditation in Fall 2031. The COA may change this to an earlier time as a result of new or additional information, changes in the activities of the program, or changes needed in the accreditation review schedule.

A focused in-person onsite visit of the program will be required, consistent with guidance from the U.S. Department of Education. The COA will conduct a focused in-person onsite review in follow-up to the virtual accreditation review when it is practicable to do so. Programs are advised that the continued accreditation decision may be amended if the follow-up in-person onsite visit reveals areas of partial or non-compliance that are not found resolved by the COA following a review of the program's Response to Summary Report.
