Herman Bounds
Director of Accreditation
U.S. Department of Education
1990 K. Street, NW, Room 7126
Washington, DC 20006-8509

Dear Mr. Bounds:

In accordance with the regulations of the U.S. Department of Education, I am submitting a report of actions taken by the Council on Accreditation of Nurse Anesthesia Educational Programs (COA) at its October 12-14, 2022 meeting. All actions are effective October 12, 2022, unless otherwise indicated. Please do not hesitate to contact me if you have any questions or need additional information.

Sincerely,

A handwritten signature in cursive script that reads 'Francis Gerbasi'.

REPORT OF ACTIONS
Effective October 12, 2022 unless otherwise indicated

Initial Accreditation Granted

- Professional University Dr. Carlos J. Borrero Rios, Hato Rey, PR

Public Disclosure Statement

The Professional University Dr. Carlos J. Borrero Rios was granted initial accreditation effective October 12, 2022. The program was found in compliance with the *Standards for Accreditation of Nurse Anesthesia Programs – Practice Doctorate*. Given this action, the program will be scheduled for its next consideration of continued accreditation 5 years following the start of the program’s first class of students. The COA may change this to an earlier time as a result of new or additional information, changes in the activities of the program, or changes needed in the accreditation review schedule.

Affirmation of Prior Initial Accreditation Decision

- Hofstra-Northwell Graduate Program in Nurse Anesthesia, Hempstead, NY

Public Disclosure Statement

The Hofstra-Northwell Graduate Program in Nurse Anesthesia was granted initial accreditation effective May 19, 2021. This decision was made on the basis of a November 2020 virtual accreditation review. Consistent with U.S. Department of Education requirements, the COA conducted a focused, in-person onsite review of the program in follow-up to the virtual accreditation review. The program was found in compliance with the *Standards for Accreditation of Nurse Anesthesia Programs – Practice Doctorate* and the COA affirmed its May 19, 2021 initial accreditation decision. Given this action, the program will be scheduled for its next consideration of continued accreditation 5 years following the start of the program’s first class of students. The COA may change this to an earlier time as a result of new or additional information, changes in the activities of the program, or changes needed in the accreditation review schedule.

- Northwestern State University Nurse Anesthesia Program College of Nursing and School of Allied Health, Natchitoches, LA

Public Disclosure Statement

The Northwestern State University Nurse Anesthesia Program College of Nursing and School of Allied Health was granted initial accreditation effective May 19, 2021. This decision was made on the basis of a November 2020 virtual accreditation review. Consistent with U.S. Department of Education requirements, the COA conducted a focused, in-person onsite review of the program in follow-up to the virtual accreditation review. The program was found in compliance with the *Standards for Accreditation of Nurse Anesthesia Programs – Practice Doctorate* and the COA affirmed its May 19, 2021 initial accreditation decision. Given this action, the program will be scheduled for its next consideration of continued

accreditation 5 years following the start of the program's first class of students. The COA may change this to an earlier time as a result of new or additional information, changes in the activities of the program, or changes needed in the accreditation review schedule.

- South College School of Nursing Nurse Anesthesia Program, Knoxville, TN

Public Disclosure Statement

The South College School of Nursing Nurse Anesthesia Program was granted initial accreditation effective October 13, 2021. This decision was made on the basis of an April 2021 virtual accreditation review. Consistent with U.S. Department of Education requirements, the COA conducted a focused, in-person onsite review of the program in follow-up to the virtual accreditation review. The program was found in compliance with the *Standards for Accreditation of Nurse Anesthesia Programs – Practice Doctorate* and the COA affirmed its October 13, 2021 initial accreditation decision. Given this action, the program will be scheduled for its next consideration of continued accreditation 5 years following the start of the program's first class of students. The COA may change this to an earlier time as a result of new or additional information, changes in the activities of the program, or changes needed in the accreditation review schedule.

- University of Evansville Nurse Anesthesia Program, Evansville, IN

Public Disclosure Statement

The University of Evansville Nurse Anesthesia Program was granted initial accreditation effective May 19, 2021. This decision was made on the basis of a December 2020 virtual accreditation review. Consistent with U.S. Department of Education requirements, the COA conducted a focused, in-person onsite review of the program in follow-up to the virtual accreditation review. The program was found in compliance with the *Standards for Accreditation of Nurse Anesthesia Programs – Practice Doctorate* and the COA affirmed its May 19, 2021 initial accreditation decision. Given this action, the program will be scheduled for its next consideration of continued accreditation 5 years following the start of the program's first class of students. The COA may change this to an earlier time as a result of new or additional information, changes in the activities of the program, or changes needed in the accreditation review schedule.

- University of Mobile Nurse Anesthesia Program, Mobile, AL

Public Disclosure Statement

The University of Mobile Nurse Anesthesia Program was granted initial accreditation effective May 19, 2021. This decision was made on the basis of a January 2021 virtual accreditation review. Consistent with U.S. Department of Education requirements, the COA conducted a focused, in-person onsite review of the program in follow-up to the virtual accreditation review. The program was found in compliance with the *Standards for Accreditation of Nurse Anesthesia Programs – Practice Doctorate* and the COA affirmed its May 19, 2021 initial accreditation decision. Given this action, the program will be scheduled for its next consideration of continued accreditation 5 years following the start of the program's first class of students. The COA may change this to an earlier time as a result of

new or additional information, changes in the activities of the program, or changes needed in the accreditation review schedule.

Continued Accreditation – Approved

- Florida Gulf Coast University Nurse Anesthesiology Program, Fort Myers, FL

Public Disclosure Statement

The Florida Gulf Coast University Nurse Anesthesiology Program was granted continued accreditation for 10 years effective October 12, 2022. The program was found in full compliance with the *Standards for Accreditation of Nurse Anesthesia Programs – Practice Doctorate*.
